Subject: Provision of E-Carts, Ambulance, and Inseminators for SKUAST-J.

Sir,

As part of our ongoing efforts to enhance the campus experience and provide a more accessible and efficient environment for our students, faculty, and visitors, we seek your esteemed support through Jammu & Kashmir Bank's Corporate Social Responsibility (CSR) initiative.

We are in need of **five (5) electric carts (e-carts)** for use within our expansive university campus. These vehicles will primarily serve to transport students, faculty, and guests between academic, administrative, and recreational areas—improving accessibility, sustainability, and overall convenience on campus.

In addition to these, we are also seeking support for the provision of:

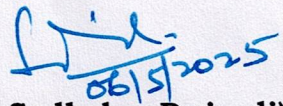

- **One (1) ambulance** to enable timely medical response and assistance to any University Student and employee.
- **Three (3) Inseminators for disposal of sanitary napkins.**

Given the commendable role Jammu & Kashmir Bank has played in promoting community welfare and development through its CSR initiatives, we believe this collaboration would not only benefit the university community but also enhance the bank's visibility and goodwill within the academic and agricultural sectors.

We would be truly grateful if the bank could consider supporting SKUAST-J by providing the aforementioned vehicles and Inseminators as part of its CSR engagement. Your valuable support will go a long way in strengthening institutional infrastructure and improving services to students and the wider rural community. The relevant documents with reference to approximate rates of the above mentioned items are enclosed for reference.

Looking forward to your consideration for the benefit of our students and staff.

Warm regards,

(Dr. Sudhakar Dwivedi)
