CIRCULAR

Subject: Transfer of funds pertaining to Students' Insurance – Reg.

With reference to the subject cited above, it is hereby informed that for proper management of funds collected from students towards insurance premium at the time of registration, a new Sub Head titled "Students Insurance" has been created under the Head "Amalgamated Funds."

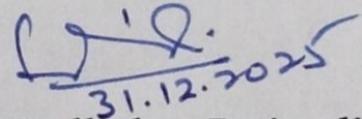

In this connection, and as per Order No. AUJ/DSW/24-25/F-84/3487-34, dated 23.01.2025, all the Deans of the Faculties of the University, including the Director, IBT, were requested to transfer the funds collected towards students' insurance till date to the above-mentioned account at the earliest.

The matter is of utmost importance and urgency, as student insurance is a critical welfare measure. Any student may require insurance coverage at any time due to unforeseen circumstances. Since the amount has already been collected from students specifically for this purpose, any delay in transferring the funds and effecting the insurance coverage may put students at serious risk and reflect adversely on the institution's responsibility towards student welfare.

Therefore, all concerned are requested to treat this matter on priority and ensure immediate transfer of funds, so that the insurance coverage of students is completed in a timely manner.
